

Gospel conversation starter: The 1 Gate to Heaven John 10:9

Print these on regular paper...Hold up 2 a light and look through the back of the paper...you should see "JESUS" when you flip it the right way...this is a great way to ask people if they have already gone through the gate or if they are ready to go through the gate to Heaven today--they can repent of their sins, put their fiath in Jesus and ask Him for eternal life! They can come to and through Jesus--the 1 Gate 2 Heaven!

Cut these out. Slip one in your wallet, put one as a bookmark in your school books...go Share JESUS! You can give these to the people you encounter so they can consider your message after you have shared with them. Add your phone number or email or church name and address so if they want more information later, they can find you.
